The sense of luxury that Cappelletti products emanate is a visual and tactile experience of overwhelming pleasure.

Indeed, Cappelletti's creations might be defined as "moments of luxury"

- those moments that we all hope to encounter because of luxury has the

timeless fascination, composed of excellence and uniqueness: objects of

great exclusivity that are always emblematic of luxury and of profound

personal identification and distinction for those who purchase them. Rich

in creative details, characterised by carefully chosen materials, all the elements

of the Cappelletti's collections make a striking visual impression

and create an imposing presence. 24 Kt gold-plated precious metal, hand-

made finishings, briarwood. Using particular fabrics and decorated with
