Indeed, Cappelletti's creations might be defined as "moments of luxury"

- those moments that we all hope to encounter because of luxury has the timeless fascination, composed of excellence and uniqueness: objects of great exclusivity that are always emblematic of luxury and of profound personal identification and distinction for those who purchase them.

Rich in creative details, characterised by elaborate carving and carefully chosen materials, all the elements of the Cappelletti's collections make a striking visual impression and create an imposing presence. 24 Kt gold-plated precious metal, white, gold, silver, red, pink, light and dark blue - handmade finishings - briarwood. Using rich, particular fabrics and decorated with hand-crafted details, gold leaf, marble, leather, brass and crystal. As in the past.
