Pouf with poplar plywood structure. Padding in polyurethane foam with different densities. Basement in metal in gunmetal finish. Upholstery available in leather or fabric.

UTOPIA

Utopia è la parola che meglio descrive l'insieme dei processi creativi che mi hanno portato a disegnare questa nuova collezione. Mentre disegnavo questi pezzi riflettevo appunto sul design, che è in sé l'utopia per eccellenza. E proprio per cercare di trasmettere questo concetto forse irraggiungibile ho scelto di arricchire il mio processo creativo con l'artigianalità e la passione, con l'amore per il gusto abbinato alla ricerca di finiture e materiali raffinati. Tutto questo intreccio di idee assieme a 50 anni di esperienza Pregno ha portato alla nascita di Utopia. Questa nuova collezione segna per me l'inizio di un nuovo processo stilistico e artistico che è solo all'inizio del suo corso.

Utopia is the word that best describes the set of creative processes that led me to design this new collection. While I was designing these pieces I reflected precisely on design, which is in itself the utopia par excellence. And just to try to convey this perhaps unattainable concept I chose to enrich my creative process with craftsmanship and passion, with a love for taste combined with a search for refined finishes and materials. All this tangle of ideas together with 50 years of Pregno experience has led to the birth of Utopia. This new collection marks for me the beginning of a new stylistic and artistic process that is only at the beginning of its course.
